

Lightspeed Classroom

Main Screen Functions

The screenshot displays the Lightspeed Classroom main screen with several key features highlighted by numbered red arrows:

- 1:** Browsing toggle switch.
- 2:** Screen Lock button.
- 3:** Send Link button.
- 4:** Web Rules button.
- 5:** Share Screen button.
- 6:** HIDE ALL SCREENS button.

The interface includes a top navigation bar with the text "Everyone" and a menu icon. Below this is a row of five control buttons. The middle section, titled "Default Group", lists seven users: Abby Lynn (AB), Alona (AK), Austin (AW), Cayden (CH), Cohen (CC), Dereck (DH), and Kason (represented by a blue square). At the bottom, there is a "Create Group" button with a plus sign and a legend for "Has Insight" (blue dot), "Recent Websites" (yellow bar), and "Few" (orange bar) to "Many" (red bar).

This is a guide to the above functions on the main screen of Lightspeed Classroom

Lightspeed Classroom

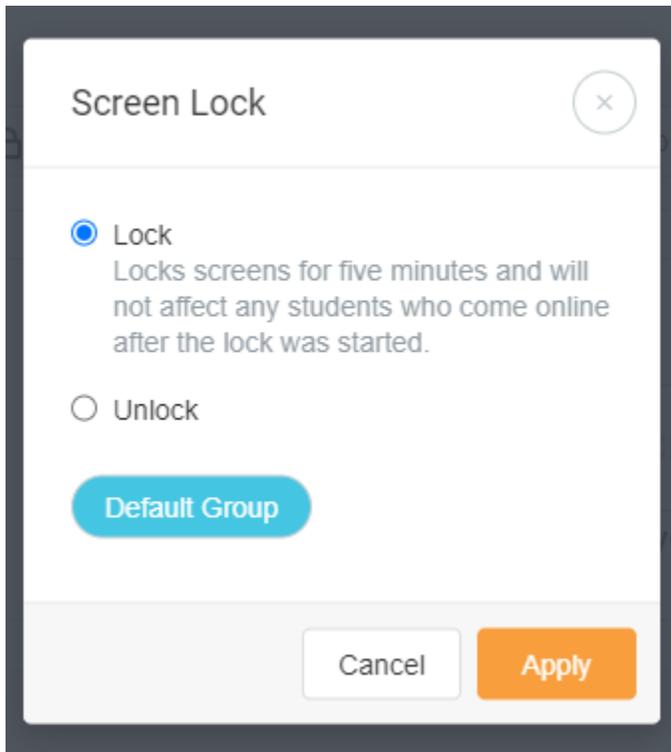

1-Browsing

This button toggles student browsing on and off. The blue dot is on, the gray dot is off.

Lightspeed Classroom

2-Screen Lock

Click "Screen Lock" from the main page

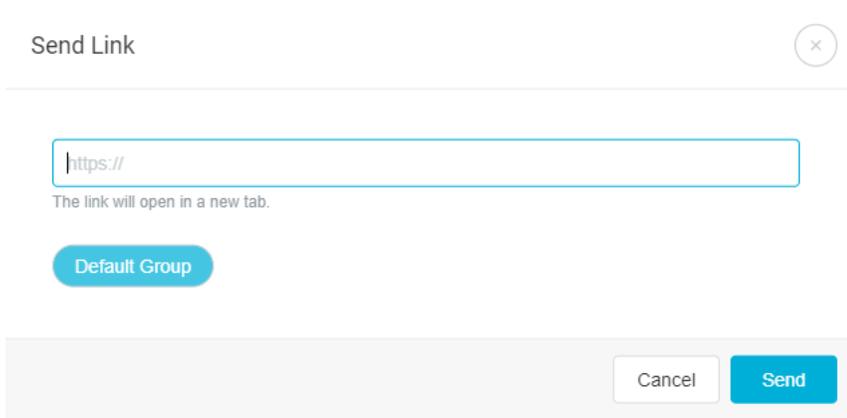

Select "Lock" then "Apply" to lock screens for 5 minutes

Select "Unlock" then "Apply" to unlock screens if they are locked

-Please note that if a student restarts their laptop it will not be locked when they sign in

Lightspeed Classroom

3-Send Link

The screenshot shows a dialog box titled "Send Link" with a close button (x) in the top right corner. Below the title bar is a text input field containing "https://". Below the input field, the text "The link will open in a new tab." is displayed. Underneath this text is a blue button labeled "Default Group". At the bottom of the dialog box, there are two buttons: "Cancel" and "Send".

Select "Send Link" from the main page

Enter a link in the box, note it must be the full link.

Example: <https://www.wetzelcountyschools.com>

Copying and pasting from a browser is best.

Click "Send" the link will be sent to everyone and open in a browser tab

Lightspeed Classroom

4-Web Rules

Web Rules

<input checked="" type="radio"/> None No Web Rules are currently selected.	<input type="radio"/> Allow Students can only visit websites you list.	<input type="radio"/> Block Most websites can be visited, except those you specifically block.
--	--	--

Close

Apply Changes

Click on “Web Rules”

Choose “Allow” or “Block”

“Block” is typically the best option as it will block the entered sites.

Block Custom URLs

Add websites (one per line). Max 100 websites.

<input checked="" type="checkbox"/> youtube.com

1/100

Allow full internet access when students change their status to 'Done'.

Close

Apply Changes

Enter websites you would like blocked.

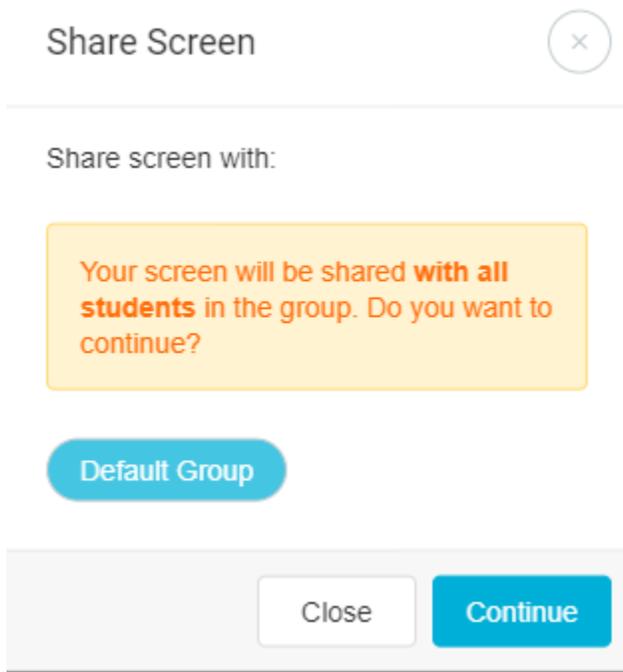

In the above example youtube.com will be blocked.

Click “Apply Changes”

These rules will apply to your class until the session expires.

Lightspeed Classroom

5-Share Screen

Click "Share Screen"

Click "Continue"

Select which screen you would like to share and click "Share"

The below will appear. Click the red square to stop sharing:

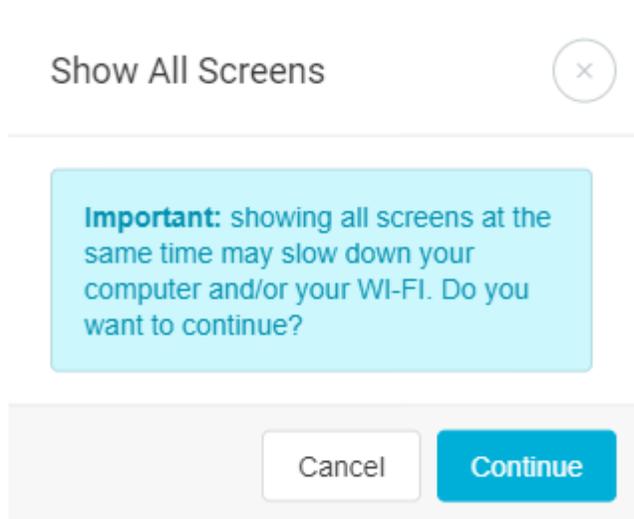

Lightspeed Classroom

6-Show/Hide Screens

The toggles screen viewing on and off.

To see all screens click “Show All Screens”

Click “Continue” on the pop-up:

You'll now be able to view all screens.
