

Wetzel County Schools Summer Academy 2023

Training	Location	Grades	Date(s)
<u>KAGAN-Structures for Little Ones:</u> Learn how to get your students to follow directions, how to work in teams, how to share and take turns, how to communicate effectively, how to think critically, and, of course, how to master the content and skills to succeed in school. Kagan will give you the structures and adaptations necessary to make cooperative learning a huge hit with your youngsters.	New Martinsville School	Pre-K thru 2 nd Grade	July 13 8:00-3:00
<u>Kagan:</u> Kagan Cooperative Learning pumps up the fun, friendship and liking for learning and it is a way to keep students on task. You will gain great management tips and be able to create an environment where all students are engaged. You will learn the Kagan Structures and why they work.	New Martinsville School	Pre-K thru 12 th Grade	July 11 8:00-3:00 July 12 8:00-3:00
<u>Grade Level Meetings:</u> Coaches will meet with K-1 teachers in grade level groups to review and adjust the Scope and Sequence for Math and Reading/Writing as needed. Teachers are asked to bring TEs and supplemental resources to share. *Presenter: Pam Christy and Jackie Shepard	WCTEC	K-1	August 7 8:30-3:00
<u>Grade Level Meetings:</u> Coaches will meet with K-1 teachers in grade level groups to review and adjust the Scope and Sequence for Math and Reading/Writing as needed. Teachers are asked to bring TEs and supplemental resources to share. * Presenter: Pam Christy and Jackie Shepard	WCTEC	6-8	July 31 8:30-3:00

Wetzel County Schools Summer Academy 2023

<p>Child Outcome Summary (COS): The Child Outcome Summary (COS) Process is completed three times per year for children in WV Pre-K with Individualized Education Programs (IEPs). The COS summarizes information on a child's functioning across three outcomes. The COS is required for federal reporting purposes to demonstrate improved child outcomes for pre-k children. This training is self-paced and only for pre-k teachers and ECCATs. At the conclusion of the training, you will take an 8-question quiz. A score of 8/8 is required to obtain the certificate of completion. The certificate must be turned into Teresa Standiford by July 15 for credit of training day.</p> <p>Presenter: https://wvde.catalog.instructure.com/courses/child-outcome-summary-training</p>	ON OWN	Pre-K and ECCATs	By July 15
<p>Real Colors: Real Colors is a dynamic workshop experience using a personality type test designed to be entertaining and user-friendly. The basis of this workshop is the unique personality assessment that identifies four personality types common to all people and assigns each a color—Gold, Blue, Green, and Orange which have characteristics representing the primary temperament of that color.</p> <p>The Real Colors workshop is designed to provide participants with:</p> <ul style="list-style-type: none"> • a better understanding of human behavior • knowledge of the four colors (each corresponding to a personality type) and how they affect our interactions and communication with others • where they fall as an individual on the Real Colors® spectrum • the ability to recognize characteristics of each of the four colors in themselves and others • opportunities to discuss with fellow workshop participants the temperament and characteristics of each color 	New Martinsville School	Anyone	August 1 – 8:30-11:30

Edmentum Training	Valley High School		June 14 – 8:30-3:00
<u>Literacy/Numeracy:</u> Students who reach an acceptable level of literacy and numeracy show improved factors in their life, such as social life, education, and career prospects. This Summer Academy session will provide teachers with strategies to promote and build student literacy and numeracy skills. Often teachers in the middle grades and HS do not feel as knowledgeable or comfortable regarding teaching literacy and numeracy to their students. This training should help with this and provide them with the tools to build literacy and numeracy in their classrooms.	TBA	5-12	August 3 – 8:30-3:30
