

## **Wetzel County Remote Learning Guidance, K-8**

For potential remote instruction days.

### **Overall Guidance**

- Schoology is our platform for Remote Learning in Wetzel County Elementary Schools.
- Be sure each child has some form of face-to-face instruction daily.
- Keep in mind children's ages and attention spans.
- Monitor Live Grades for missing work.

### **Reading/Writing/ELA**

#### **Whole Group Instruction**

- K-5—Minimum 90 minutes daily
- 6-8—Minimum 45 minutes in Reading and 45 minutes in ELA daily
- Be sure to include all the areas of reading that are applicable for your students: alphabetic principles, phonemic awareness, phonics, vocabulary, comprehension

#### **Small Group Instruction**

- Daily live small group instruction to check for understanding
- Meet with each small group at least twice weekly, consider more meetings for struggling students
- Give the family a schedule for their child's small group meetings

#### **Other Instruction/Practice**

- Simple Solutions
- On-line textbook resources
- Handwriting Without Tears
- I-Ready Resources
- Typing Club

## **Intervention/Special Education**

- Remote small group instruction
- Microsoft Teams is a FERPA-compliant platform that has an option where the teacher can see students but students can't see each other.
- Follow the Remote Learning Plan
- Schoology Conferences

## **Mathematics**

- K-5—minimum 60 minutes daily
- 6-8—minimum 45 minutes daily
- Record whole group mini-lessons for asynchronous instruction

## **Small Group Instruction**

- Daily live small group instruction to check for understanding
- Meet with each group at least twice weekly, consider more meetings for struggling students
- Give families a schedule for their child's small group meetings
